

PRACTICAL SOLUTION PERFECTED

A refinement on an iconic solution, Synchrony™ Vertical Blinds combine the traditional practicality of vertical blinds with the improved durability and performance of modern technology, and the sensibility that makes modern style both rich and subtle. Synchrony™ is practical solution perfected with grace and style.

- The valance-free design is sleek, fashion forward and modern. It also eliminates the need for additional top treatments
- Modern colors and textures enhance any room while providing reliable quality
- Certified NFPA 701 for flame resistance
- Cordless design is child/pet friendly

DESIGN

Made from dependable materials, Synchrony™ Vertical Blinds appeal to nearly any room design

- **On-trend colors** from traditional neutrals to fashion bold colors
- **Pleasant street-side appearance** with neutral-colored back
- **Smooth or embossed** slats for a clean, contemporary look
- **Optional S-Curved slats** for tight closure and drapery-like look
- **Coordinates with Norman®** horizontal blind colors

Pair Norman® horizontal blinds with Synchrony™ Vertical blinds for a whole home solution
